The Goods: Local Foods We're Digging This Month

This month, we're into fudge brownies, couple goat cheese, and cinnamon-sugar chubs.

Fudge Brownies

Brownie eaters fall into one of two camps: those who prefer light, cakey versions, and those who crave near-underdone, fudgelike squares. We fall firmly in the latter group, as do the folks behind the Hudson, Massachusetts-based e-tailer Harvard Sweet Boutique, which offers dense brownies layered with fillings like vanilla-sea-salt caramel, raspberry buttercream, and mint.

\$20–\$22 for six, available at harvardsweetboutique.com.
